SUMMARY

Computer Science student at ISET Tozeur with a strong passion for web development, AI, and building innovative tech solutions. Skilled in full-stack development with experience in MERN stack, FastAPI, and Docker. Enthusiastic about participating in hackathons, exploring modern technologies, and integrating AI to create impactful applications.

WORK EXPERIENCE

Full Stack Web Developer Intern

February 2025 – March 2025

ITQAN Labs — Internship

- Developed real-world applications using MERN stack and modern JavaScript frameworks
- Collaborated with cross-functional teams to deploy scalable web features
- Implemented responsive frontend interfaces and robust backend APIs

Full Stack Web Developer Intern

February 2024 – March 2024

ITQAN Labs — Internship

- Developed a complete website using Angular and MySQL
- Worked with SQL to manage data and enhance features
- Implemented user-friendly interfaces and optimized database operations

EDUCATION

Computer Science

September 2023 – October 2026

Higher Institute of Technological Studies of Tozeur (ISET Tozeur)

- Key Modules: Algorithms, Web Programming, Object-Oriented Programming, Databases, Networking
- Projects: MERN applications, REST APIs, AI-integrated projects
- Activities: Member of the programming club Solutions Lab

PROJECTS

- **IkriMinDarek** – A modern, full-stack property rental platform built with React Native.
- **Atlas-G-ographique** – Application allowing users to view a list of countries and their details.
- **Learnflow** – Intelligent learning assistant app that helps users organize what they want to learn.

TECHNICAL SKILLS

- **Programming & Frameworks:** Java, Python, JavaScript, Node.js, Express.js, React.js, FastAPI, MERN Stack, Angular
- **Databases:** MongoDB, SQL, PostgreSQL, MySQL
- **Tools & DevOps:** Docker, Git, API Development, Ant Design
- **Soft Skills:** Teamwork, Problem-solving, Autonomy, Adaptability, Analytical thinking

CERTIFICATIONS

- AWS Academy Graduate – Cloud Foundations (AWS)
- Essential 1 Python — Cisco Networking Academy
- Essential 2 Python — Cisco Networking Academy
- AI Bootcamp — VisionAlres
- WE CHALLENGE Hackathon (4th Edition) — ISET Tozeur

LANGUAGES

- Arabic: Native
- French: Intermediate (B2)
- English: Professional

INTERESTS

- Web Development & AI, Hackathons & tech competitions
- Open Source & personal projects
- Sports: football, weightlifting
